Projects

House Permit Portal

- Developed an online residential construction permit platform with role-based access (Applicant, Reviewer, Admin).
- Features real-time application status tracking, secure document/blueprint uploads, and submission history.
- **Stack:** React, Node.js, Express, MongoDB, JWT, REST APIs
- **Link:** <https://house-permit-portal.onrender.com/>

MayaMilan (Dating Portal)

- Built a matchmaking platform with preference-based profile discovery and instant mutual matching.
- Features real-time chat (text, media, GIFs) and robust user safety controls (block/report).
- **Stack:** MERN Stack, Socket.io, JWT
- **Link:** <https://mayamilan.vercel.app/>

Quiz Battleground

- Developed a real-time multiplayer quiz app for live, interactive trivia battles.
- Features dynamic question loading, live score updates, and user performance tracking.
- **Stack:** MERN Stack, Socket.io, REST APIs
- **Link:** <https://quiz-battleground.vercel.app/>

Languages

- Nepali (Native), English (Fluent), Hindi, Bajika, Maithili (Conversational)

Hobbies & Interests

- Full Stack Development 
- Exploring New Technologies 
- Bike Riding
